

Service des gestionnaires de la Société des Sciences et du patrimoine immobilier (GSPP)
Administration du patrimoine immobilier et des infrastructures (ADPI)

Louvain-la-Neuve, 20 February
2019

To whom it may concern,

This letter is to confirm that Alexander König participated in a short-term scientific mission (STSM) at UCLouvain from 14 to 18 January 2019 within the framework of COST Action CA1605 - enetCollect.

The activities and outcomes described in the STSM report are accurate.

Please do not hesitate to contact me in case any additional information is needed.

Dr. Magali Paquot
